The Manager
Australian Stock Exchange

Dear Sir

**Re: Preliminary Final Report given to the ASX
under Listing Rule 4.3A released 30 August 2004**

I refer to the stock exchange release issued by the company on 30 August 2004. Item 3.3 of that release entitled "Individually Significant Items" was inadvertently left blank.

The item should have contained the following revenue item:

"Write back of credit balance – debtor accounts: \$118,315 (2003 Nil)."

We apologise for this error and confirm that the annual accounts released in the annual report will contain the item as required under appropriate disclosure rules.

Yours sincerely

Richard Sealy
