## ANNOUNCEMENT TO THE ASX

---

### Sydney, 13 October 2008 ~ Inventis Limited (ASX: IVT)

The Directors of IVT are pleased to advise that Charles Michael Wright has been appointed as a director of the Company.

Mr Wright has over thirty years experience as a chairman and director of a number of private, public, not for profit and government organisations.

Mr Wright's experience spans various sectors and management disciplines including strategic direction and corporate advisory services involving a range of product and services.

Mr Wright has been instrumental in restructuring / re-establishing a positive platform for many organisations to enhance their future direction and create value for their respective stakeholders.

Mr Wright also brings to the Company a range of contacts, knowledge and skills that will open doors and provide opportunities for the Inventis Technology Division and its range of products.

Among other appointments, he was a Vice President of NSW Employees Federation and remains Chairman of Sydney based corporate advisory services Wright Corporate Group and Octan Energy. He is a director of Interface Partners and Legacy.
