## ANNOUNCEMENT TO THE ASX

---

### 08 February 2013 ~ Inventis Limited (ASX: IVT)

Inventis is pleased to announce the appointment of Peter Bobbin B.Com; LLB; LLM; CTA, as a Non-Executive Director of the Company.

Peter is a principal in Argyle Lawyers and a respected tax strategist, litigation management expert and specialist in the areas of superannuation, corporate financial services and succession, with substantive experience in commercial structuring, regulatory compliance and general commercial matters. His finer skills include planning and strategy.

In legal practice since 1987, Peter uses a results based approach to achieve positive outcomes for clients including many corporate and high net wealth individuals, accountants, financial advisers, other lawyers, as well as project based work for each of Australia's major financial institutions. In fact, he is one of the very few who have successfully lobbied Government that resulted in amended laws as a consequence.

Peter is charity trustee of the Future2 Foundation and a supporter of various professional associations.

A former university lecturer, frequent commentator on the law and former accountant, Peter brings a level of rigour as well as a practical approach to the Board.

In conjunction with this appointment, Denis Pidcock stepped down as a Director and taken up the position of Alternate Director. Thus ensuring continuity and support for the company.

We thank Denis for his continuing support and welcome Peter to the Board of Inventis, as we work together to enhance value for the benefit of all stakeholders.

Tony Noun  
**Executive Chairman**
