ASX Announcement

RE:

RIGHTS ISSUE – ANNOUNCEMENT

On 6 October 2017 the Company's Board resolved that the Company issue new ordinary shares to its shareholders on a pro rata basis ("**Rights Issue**").

Under the Rights Issue, you will be entitled to subscribe for one (1) share for every five (5) ordinary shares held by you in the Company ("**Shares**") as at the Record Date at an exercise price of \$0.010 per Share ("**Exercise Price**").

For example, if you hold 1000 Shares as at the Record Date, you will be entitled to subscribe for a maximum of 200 Shares at the Exercise Price. In the event of any fractions of Shares occur as a result of the subscription under this Rights Issue, your eventual shareholding will be rounded down to the nearest whole number. You may subscribe for some or all of your maximum entitlement under this Rights Issue.

The total number of Shares to be issued under the Rights Issue is 119,742,911 Shares.

As at the date of the letter, last sale price of the Shares as noted on the ASX was \$0.013 per Share.

The Record Date is the date the Company determines your shareholding in the Company. For the purposes of the Rights Issue, the Record Date will be 11 October 2017.

If all offers, the subject of the Rights Issue, are taken up by the Company's ordinary shareholders, the Company expects to raise \$1,197,429.

The purpose of the Rights Issue is to raise finance to fund the Company's ongoing working capital needs.

The Rights Issue is not underwritten.

Should not all shareholders subscribe at all or in part of their allocation a shortfall will occur ("**Shortfall**"). In the event of a Shortfall, the Board reserves its rights to issue Shares to make up the Shortfall as it sees fit, subject to applicable legislation ("**Shortfall Shares**"). This may include offering the Shortfall Shares to shareholders who have expressed an interest to take up more than their initial share, an underwriter or to institutional, professional or sophisticated investors. Shareholders should note that the Company may incur fees or charges when making an offer to, or engaging, an underwriter equal to around 5-7% of the amount the subject of the Shortfall.
