## ANNOUNCEMENT TO THE ASX

---

### **SYDNEY, 09 June 2017: *Inventis Limited [ASX: IVT]: Market Update and Profit Guidance***

The Company wishes to announce due to both the general lack lustre market conditions and a deferral of some large purchase orders from key Government sectors in the last quarter FYR 17 revenue expectations will not be as robust as previously announced.

We anticipate a Net Profit After Tax (NPAT) of between \$150,000- \$300,000 to 30<sup>th</sup> June 2017.

We anticipate total group consolidated revenues of between \$11.5M - \$12M to 30<sup>th</sup> June 2017.

Notwithstanding the lower guidance figure the company continues to improve on last year and we are budgeting for an improved overall result in FY2018.
